

## **DC Public Library Foundation and Adult Literacy Resource Center develop ESL Guidebook**

With a grant from the DC Public Library Foundation, the Adult Literacy Resource Center at the DC Public Library developed a guidebook that walks ESL instructors through a process for facilitating effective "Conversation Circles" for adult ESL learners. The 27-page guide includes lesson plans, activities, tips for correcting mistakes, ideas for field trips, and more. Contact the ALRC at 202-727-1616 for more information.
